

REPORT ON NEP INITIATIVES TAKEN BY OUR VIDYALAYA

CURRICULUM REFORMS: To align with the NEP's recommendations our school introduced a **MULTIDISCIPLINARY APPROACH**, promotes critical thinking and problem-solving skills, and reduces the emphasis on rote memorization. Our curriculum also focuses on promoting creativity, experiential learning, and practical application of knowledge.

- Making of mdp projects by students
- Including cct questions in teaching as well as in question papers

TEACHER TRAINING AND CAPACITY BUILDING: Organized training programs and workshops for teachers to familiarize them with the NEP's pedagogical approaches. Teachers received training in innovative teaching methods, competency-based assessment techniques, and the use of technology in the classroom. The aim is to enhance their professional skills and ensure effective implementation of the NEP initiatives.

TECHNOLOGY INTEGRATION: Our vidyalaya emphasizes the integration of technology in teaching and learning processes by providing digital resources, interactive learning platforms, and digital classrooms. Students also encouraged to use technology for research, collaboration, and self-paced learning.

INCLUSIVE EDUCATION: Kendriya Vidyalaya always strive to create an inclusive learning environment that caters to the needs of all students, including those with disabilities. Our school provide necessary support systems, facilities, and resources to ensure that students with special needs have equal access to education. Inclusive practices were implemented in curriculum design, teaching methodologies, and assessment strategies.

Special Educator in primary classes was appointed to cater the need of every special child.

VOCATIONAL EDUCATION AND SKILL DEVELOPMENT: Our vidyalaya also focus on vocational education and skill development in line with the NEP's emphasis on practical learning. We offer vocational courses and workshops, to equip students with relevant skills.

Art and craft teacher is there in vidyalaya and sports camp was organised in summer vacation.

ASSESSMENT REFORMS: we adopted new assessment methods that align with the NEP's competency-based approach. we emphasize formative assessments, project-based evaluations, and open-book examinations to assess students' understanding, application of knowledge, and higher-order thinking skills. Continuous and comprehensive evaluation is being implemented to provide a holistic view of students' progress.

COMMUNITY ENGAGEMENT: Our vidyalaya actively engage with the local community to enhance the learning experience. Programmes like 'Parents As Partner In Learning' going smoothly in our vidyalaya. Every fortnight a parents come to vidyalaya to engage with students and shares their skill and experience. We also collaborate with Forest Research Institute and Mission Life to provide students with real-world exposure and opportunities. Community outreach programs, social initiatives, and collaborative projects are being organized to foster a sense of social responsibility and citizenship among students.

EXPERIENTIAL LEARNING: Our school focuses on providing hands-on learning experiences, such as field trips, practical experiments, and project-based assignments, to enhance students' practical knowledge and skills.
