

Good morning everyone.

Dear all,

Greetings to all the faculty members of KV FRI.

It gives me immense pleasure to greet and felicitate all the teachers on behalf of KV FRI & KVS.

Firstly, I pay tribute to Dr.Sarvepalli Radhakrishnan, our former President, a great statesman & a great scholar whose life & work inspires all the Teaching fraternity to discharge their duties with full devotion.

It is the day dedicated to all the teachers who play a significant role in the lives of students. I deeply appreciate your commitment to teach the students even during tough times like in the current scenario. I personally believe there is no substitute to the quality education you teachers provide because it helps to change the lives of thousands of individuals & their families forever.

It is a matter of pride that in this Covid-19 Pandemic, the teaching faculty adapted the new way of online teaching. Teachers, are in fact the next level of Covid warriors fighting for the Nation & shaping the future of tomorrow. In spite of all the challenges, teachers ensured that learning continues.

On this auspicious occasion, I take this opportunity to thank all the teachers for their invaluable contribution to the nation.

I wish each one of you a 'Happy Teacher's Day'.

May God bless you with the strength to achieve greater personal & professional growth in the years to come together with the strength of becoming a Nation builder!
